

**RE-ENROLMENT for 2015 – 2016 ACADEMIC YEAR**

Dear Parents,

1st February, 2015

We wish to remind you that re-enrolment for the 2015 – 2016 Academic Year has now started. **Due to limited class sizes (26 per class) and class numbers for next year, we urge you to re-enroll your child/ren as soon as possible to avoid disappointment.**

As from the next academic year, boys and girls will be placed in separate classes from Year 1 upwards.

Once our classes are full, we will not be accepting any further registrations under any circumstances. So please act NOW!

Class placements will also be done on a first-come-first-served basis. As students enroll, we shall start filling the “A” class in each year group, then “B”, and so forth. We shall not be changing any students classes next year, except in serious cases to be decided by the School Management Team.

Class numbers for 2015 – 2016 are as follows:

Year 1: SIX classes**Year 2: SIX classes****Year 3: SIX classes****Year 4: FIVE classes****Year 5: FIVE classes****Year 6: FOUR classes**

Kindest regards,

Mr. Marius Visser
(Head of Primary)
