

UPDATE ON CLASS TEACHER FOR YEAR 6B

Dear Year 6B Parents,

January 7th, 2015

We are currently in negotiations with a teacher from the UK, Mr. Karl Dearing, and are confident that he should be joining us very shortly. Please also note that our Year 6 Year Leader, Ms. Rania Eleish, is still monitoring the curriculum content very carefully and lessons are being delivered as normal.

Should an appointment not be made by early next week, we shall revert back to our Team-teaching procedure we had in place for the last month of last term, until a suitable replacement teacher has been appointed.

We highly appreciate your patience, understanding and support in this matter, as we are simply trying to appoint the best teacher we possibly can for the benefit of your child.

Kindest regards,

Mr. Marius Visser
(Head of Primary)
