TO THE PARENTS OF PUPILS YEAR 7 to 11

Dear Parents and Guardians,

Our 2\textsuperscript{nd} term has now almost come to an end and I am delighted to inform you that we have had an excellent term. Some of the key highlights of this term are as follows:

- Maths Week which was led by Mr Sobah and his team
- Sports Week which ran for two weeks which was led by Ms Salwa and her team
- Annual Photographs for all our pupils
- Science Week led by Ms Najwa and her team
- Weekly Clubs led by all the Secondary team
- Year 9 Options Evening
- Various educational trips

As you can see it has been a very busy term that we have thoroughly enjoyed. I would like to take this opportunity to thank all the staff who have put on various events over the course of the term. The above list is not an exhausted list by any means, there are many other events and activities that staff are always running to further enrich our pupils’ experience here at Oxford.

**Term 3 - Ahead:**

**Parent Conference Day:**

As you will recall from my previous correspondence to you, our Parent Day has now been moved to Monday April the 21\textsuperscript{st} starting at 8:00am. We are looking forward to meeting with you to discuss your Childs progress over the course of the year. As per previous Parent Days, teachers will see you on a first come, first served basis. Kindly ensure that you consider our neighbours when you are parking your vehicles around the school. Secondly, should you find that the allocated time you have is not enough, please feel free to make an arrangement to meet the respective teacher for a longer period of time at the end of the school day. This can be done by contacting our reception office who will make the necessary appointments.

**Registration for 2014-2015 Academic Year:**

We would like to remind you that you need to register your child early in order to guarantee a place for the next academic year. Places in some classes are quickly filling up; please register early to avoid disappointment at a later date.

Lastly, please note that the end of year Exams start on the 28\textsuperscript{th} of May 2014 and will finish on the 5\textsuperscript{th} of June. Reports will be issued on the 16\textsuperscript{th} of June. We remind you to ensure that your Child attends school every day the school is open.

We hope that you and your Child have a wonderful vacation. Thank you for your on-going support.

Mr Arafat Q Hingora
