

Pastoral Care Rewards and Sanctions

At Oxford Academy we believe that every student benefits from having a caring and disciplined environment in which to learn.

Students earn merits and receive certificates for a wide range of activities.

Also, there are House Team competitions. We have a Head Boy and Head Girl and Prefects who help students around the school in many different ways. The Student Council meets each week and classes from Year 6 to Year 10 are represented.

Of course there are sanctions ranging from verbal warnings up to level 1, 2, 3 or 4 punishments.

The Form Teacher is the first point of contact for parents. The Dean of Discipline oversees positive pastoral care throughout the school. We have a Disciplinary Committee which meets each week.

We want happy and hardworking students who care about the school environment.

The school has a Social Worker. We work closely with parents to ensure that each student is making positive progress.

All parents have copies of the School/Home Partnership Agreement.

Mr. Mohammed Jennings
Dean of Students
