

**CLASS TEACHER FOR YEAR 5C**

Dear Year 5C Parents,

November 2<sup>nd</sup>, 2014

As you may be aware, the assigned teacher for Year 5C, Mr. Nasser Sulaiman, has been undergoing severe medical issues, which has unfortunately forced him to return to his home country. Our Year 5 Year Leader is monitoring the curriculum content very carefully and lessons are being covered, and delivered as normal, so you need not worry that your child is not being taught.

We are currently involved in negotiations with a replacement teacher from the USA, and feel confident that we will be able to secure this teacher as a suitable replacement within the next week.

Your patience and understanding in this matter are welcomed and appreciated.

Kindest regards,

---
